Knitted Infinity Scarves

Knitted infinity scarves are a great way to keep your neck warm and cozy. They're also very versatile, as you can wear them in a variety of ways, including as a traditional scarf, a cowl, or a hood.

1. **The North Face Etip Recycled Knit Infinity Scarf** is made from a soft, recycled polyester fabric that's both warm and comfortable. It features a touchscreen-compatible thumbhole on one end, so you can use your phone or other devices without taking off your gloves.
2. **The Patagonia Lightweight Synchronicity Infinity Scarf** is another great option for those who want a warm and comfortable scarf. It's made from a lightweight, double-sided fleece fabric that's soft against the skin. The scarf also features a drawcord closure, so you can adjust it to fit snugly around your neck.
3. **The REI Co-op Merino Wool Infinity Scarf** is a luxurious choice for those who want a scarf that's both warm and stylish. It's made from a soft, 100% Merino wool fabric that's naturally moisture-wicking and odor-resistant. The scarf also features a ribbed knit pattern that adds a touch of style.

Neck Warmers

Neck warmers are a great option for those who want to keep their neck warm without having to wear a scarf. They're typically made from a stretchy fabric, so they can be easily pulled on and off. Neck warmers can also be worn under a coat or jacket, so they're a great option for those who want extra warmth.

4. **The Buff Original Neck Warmer** is a classic neck warmer that's made from a soft, stretchy fabric. It's available in a variety of colors and

patterns, so you can find one that matches your style. The Buff Original Neck Warmer is also machine-washable, so it's easy to care for.

5. **The Smartwool Merino 250 Neck Warmer** is a great option for those who want a neck warmer that's both warm and comfortable. It's made from a soft, 100% Merino wool fabric that's naturally moisture-wicking and odor-resistant. The Smartwool Merino 250 Neck Warmer also features a flat-lock seam construction that helps to prevent chafing.
6. **The Patagonia R1 Daily Neck Gaiter** is a versatile neck warmer that can be worn in a variety of ways. It's made from a stretchy, moisture-wicking fabric that's comfortable against the skin. The Patagonia R1 Daily Neck Gaiter also features a built-in gaiter that can be pulled up to cover your mouth and nose.

Cowls

Cowls are a type of scarf that's typically made from a thick, bulky yarn. They're worn around the neck and shoulders, and they provide a lot of warmth. Cowls are also very stylish, and they can be dressed up or down depending on the occasion.

7. **The Quince & Co. Lark Cowl** is a beautiful cowl that's made from a soft, bulky yarn. It features a ribbed knit pattern that adds a touch of style. The Quince & Co. Lark Cowl is also available in a variety of colors, so you can find one that matches your wardrobe.
8. **The Berroco Ultra Alpaca Cowl** is a luxurious cowl that's made from a soft, alpaca yarn. It features a simple knit pattern that allows the beauty of the yarn to shine through. The Berroco Ultra Alpaca Cowl is

also available in a variety of colors, so you can find one that matches your style.

9. **The Malabrigo Worsted Cowl** is a cozy cowl that's made from a soft, worsted weight yarn. It features a simple knit pattern that's easy to follow, even for beginners. The Malabrigo Worsted Cowl is also available in a variety of colors, so you can find one that matches your taste.

Double Warm Tube Scarves

Double warm tube scarves are a great option for those who want extra warmth. They're made from two layers of fabric, and they often feature a fleece lining for added comfort. Double warm tube scarves can be worn in a variety of ways, and they're a great option for those who spend a lot of time outdoors.

10. **The The North Face ThermoBall Eco Double Warm Tube Scarf** is a great choice for those who want a warm and comfortable scarf. soft, stretchy fabric that's both moisture-wicking and odor-resistant.

The REI Co-op Xerotherm Double Warm Tube Scarf also features a built-in gaiter that can be pulled up to cover your mouth and nose.

How to Choose the Right Knitted Infinity Scarf, Neck Warmer, Cowl, or Double Warm Tube Scarf

When choosing a knitted infinity scarf, neck warmer, cowl, or double warm tube scarf, there are a few things to keep in mind:

- **Material:** The material of the scarf is important to consider, as it will affect the warmth, comfort, and durability of the scarf. Wool is a great choice for warmth, while acrylic is a more affordable option. Fleece is a good choice for a soft and comfortable scarf, while nylon is a good choice for a durable scarf.
- **Size:** The size of the scarf is also important to consider. Infinity scarves are typically one size fits all, but neck warmers, cowls, and double warm tube scarves vary in size. Make sure to choose a scarf that is the right size for your neck and head.
- **Style:** The style of the scarf is also important to consider. There are many different styles of scarves available, so choose one that matches your personal style. You can also choose a scarf that matches your winter wardrobe.

A knitted infinity scarf, neck warmer, cowl, or double warm tube scarf is a great way to keep yourself warm and cozy this winter. With so many different styles and materials to choose from, you're sure to find one that meets your needs and style.
