

And Then There Were None SparkNotes Literature Guide

Plot Summary

Ten strangers are invited to a remote island by a mysterious host named U.N. Owen. When they arrive, they find that their host is nowhere to be found and that they are trapped on the island. One by one, the guests start to die, and it becomes clear that there is a killer among them.

The guests try to figure out who the killer is, but they are all suspects. As they try to stay alive, they learn more about each other and their own pasts. Eventually, the killer is revealed, and the guests are able to escape the island.
