## Caring for Your Knitted Treasures

To ensure the longevity of your beloved knitted ponchos, wraps, and scarves, proper care is essential. Treat these delicate garments with care, following these guidelines:

- **Hand Wash with Care:** Gently hand wash your knit accessories in lukewarm water using a mild detergent specifically designed for delicate fabrics. Avoid using hot water or harsh detergents, which can damage the fibers.
- **Lay Flat to Dry:** After washing, lay your knitted items flat on a clean towel and reshape them gently to maintain their original form. Avoid hanging them to dry, as this can stretch and deform the knit.
- **Store with Love:** When not in use, store your knit accessories in a cool, dry place. Avoid folding them tightly, as this can create creases and damage the delicate fibers. Instead, opt for loose, breathable storage containers.
