Materials you will need

- Tatting shuttle
- Tatting thread
- Scissors

Getting started

To get started with tatting, you will need to learn how to make a basic knot. The basic knot is called a double stitch (ds). To make a ds, follow these steps:

1. Wind the thread around the shuttle clockwise, leaving a tail of about 6 inches.
2. Hold the shuttle in your left hand and the thread in your right hand.
3. Bring the thread over the shuttle and under the thread on the shuttle.
4. Pull the thread through to form a loop.
5. Repeat steps 3-4 to make a second loop.
6. Bring the first loop over the second loop and pull tight to form a knot.

Once you have mastered the basic knot, you can start to learn how to make more complex patterns. There are many different tatting patterns available, so you can find one that suits your taste and skill level.

Tips for tatting

- Use a good quality tatting thread. This will help to prevent your tatting from becoming tangled or breaking.
- Keep your tension even. This will help to create a consistent and beautiful tatted piece.
- Be patient. Tatting can be a slow process, but it is worth it when you see the finished product.
- Have fun! Tatting is a relaxing and enjoyable craft.

Projects you can make

Once you have mastered the basics of tatting, you can start to make a variety of projects. Here are a few ideas:

- Lilies
- Tablecloths
- Jewelry
- Bookmarks
- Coasters

Tatting is a beautiful and versatile craft that can be used to create a variety of items. With a little practice, you can master the basics of tatting and start creating your own beautiful tatted pieces.
