

London and Its Environs Described Vol. Of. Illustrated

London and Its Environs Described Vol. Of. Illustrated is a comprehensive guide to the city of London and its surrounding area. The book was written by John Rocque and first published in 1746. It contains detailed maps of the city and its environs, as well as descriptions of the city's history, architecture, and culture. The book is an invaluable resource for anyone interested in learning more about London.

Maps

The maps in London and Its Environs Described Vol. Of. Illustrated are some of the most detailed and accurate maps of London that were available in the 18th century. The maps show the city's streets, buildings, and other features in great detail. They also show the city's relationship to the surrounding countryside. The maps are a valuable resource for historians and anyone else interested in learning more about London's development.
