## Origins and Purpose of the Witness Index

The JFK Assassination Witness Index is a comprehensive database that meticulously compiles the names and available information of over 2,300 individuals who witnessed the assassination or its immediate aftermath. This ambitious project was initiated by the United States House Select

Committee on Assassinations (HSCA) in 1976. The HSCA's mandate was to investigate the assassinations of both President Kennedy and Martin Luther King Jr., and the Witness Index played a crucial role in their meticulous examination.

The HSCA recognized the paramount importance of gathering and preserving witness accounts. Eyewitness testimony provides invaluable firsthand insights into the events that transpired, shedding light on the sequence of events, the actions of key individuals, and the overall atmosphere surrounding the assassination. By compiling this vast repository of witness information, the HSCA sought to create a foundation upon which a more complete and accurate understanding of the tragedy could be constructed.

### **Significance and Value of the Index**

The JFK Assassination Witness Index holds immense historical significance, serving as an indispensable tool for researchers and investigators delving into the assassination. It allows scholars to access a wealth of primary source material, enabling them to corroborate and cross-reference witness accounts, identify inconsistencies, and piece together a more comprehensive narrative of the events.

For historians, the Witness Index provides a valuable lens into the social and political climate of the time. By examining the demographics, backgrounds, and perspectives of the witnesses, researchers can gain insights into the prevailing attitudes and beliefs that shaped the public's response to the assassination. This information aids in contextualizing the event and understanding its broader historical significance.

Moreover, the Witness Index has played a pivotal role in addressing conspiracy theories surrounding the assassination. By providing access to a wide range of eyewitness accounts, the Index enables researchers to evaluate the credibility of various claims and identify potential discrepancies. This rigorous examination helps to dispel unfounded rumors and promote a more informed understanding of the assassination's true circumstances.

## **Unveiling Hidden Perspectives and Untold Stories**

Beyond its historical value, the JFK Assassination Witness Index also serves as a testament to the resilience and courage of the ordinary individuals who witnessed an extraordinary event. By chronicling their experiences, the Index gives voice to the unsung heroes who played a vital role in piecing together the puzzle of the assassination.

These witnesses come from all walks of life, representing a diverse cross-section of American society. There are eyewitnesses who saw the shooting unfold from close range, others who witnessed the aftermath and aftermath of despair, and still others who provided crucial information that helped to identify the assassin. Through their accounts, we gain a deeper appreciation for the human toll of the assassination and the profound impact it had on the lives of those who were present.

- **\*\*Lee Bowers,\*\*** a railroad worker who witnessed the assassination from a nearby overpass, provided a detailed account of the events, including the direction of the shots and the chaotic aftermath.
- **\*\*Jean Hill,\*\*** a secretary who worked in the Texas School Book Depository, described the presence of a suspicious individual matching Oswald's description prior to the shooting.

- **\*\*James Tague,\*\*** a Dallas police officer who arrived on the scene shortly after the assassination, provided crucial testimony about the arrest of Lee Harvey Oswald and the subsequent investigation.

These are just a few examples of the countless witnesses whose accounts are preserved in the JFK Assassination Witness Index. By shedding light on their experiences, the Index invites us to reflect on the enduring legacy of the assassination and the importance of preserving our collective memory of this pivotal event.

## **Preserving History and Illuminating the Past**

The JFK Assassination Witness Index is a living testament to the enduring power of history. It serves as a repository of invaluable information, a source of ongoing research, and a reminder of the importance of preserving the past for future generations. Through its meticulous documentation of eyewitness accounts, the Index ensures that the voices of those who witnessed the assassination will continue to be heard and their perspectives will continue to shape our understanding of this profound historical event.

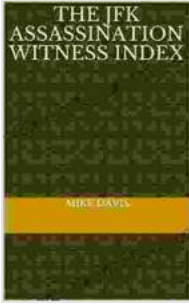

As we continue to explore the intricacies of the JFK assassination, the Witness Index will remain an indispensable resource, illuminating the unseen threads that connect the past to the present and shaping our collective understanding of one of the most pivotal moments in American history.
