The victim, Celeste, was a model and actress who was found dead in her apartment. The police believe that she was killed by her boyfriend, a wealthy businessman named Richard. However, Midnight Louie is not so sure. He believes that Celeste was killed by someone else, someone who had a lot to gain from her death.

Midnight Louie begins his investigation by talking to Celeste's friends and family. He soon learns that Celeste was a complex woman with a lot of secrets. She was also involved in a number of dangerous relationships.

As Midnight Louie digs deeper into the case, he uncovers a web of lies and deceit. He learns that Celeste was involved in a blackmail scheme and that she was also having an affair with a married man. Midnight Louie soon realizes that Celeste's murder was not as simple as it seemed.

Midnight Louie must use all of his skills to solve the case and bring Celeste's killer to justice. He must also protect himself from the dangerous criminals who are involved in the case.
