By Lisa Algee

**You're Still With Me** is a deeply personal account of grief, loss, and renewal by Lisa Algee. Algee shares her story of losing her husband to cancer, and how she found the strength to rebuild her life. Her journey is both heartbreaking and inspiring, and her insights on grief and resilience will resonate with anyone who has experienced loss.

Algee begins her story by describing the day her husband was diagnosed with cancer. She was devastated, but she was determined to fight for him. They spent the next few years fighting the disease together, but eventually, the cancer took his life.

Algee was lost after her husband died. She didn't know how she was going to go on without him. She felt like a part of herself had died with him.

But Algee slowly began to rebuild her life. She found comfort in her friends and family, and she started to explore new interests. She also began to write about her experiences, which helped her to process her grief.

**You're Still With Me** is a beautifully written and moving memoir. Algee's story is honest and raw, but it is also full of hope and resilience. She shows us that it is possible to survive and even thrive after loss.

If you have experienced loss, **You're Still With Me** is a must-read. Algee's insights on grief and resilience will help you to find your own path to healing.
